*True Entertainment with Flair!!
Las Vegas Show Band*

Paul Stevenson

ENTERTAINMENT WITH A FLAIR!!

The Vegas Good Fella's are handpicked musicians who reign from the top in the country. The band was organized by **Kent Foote**, who found a great love for music in his early teens when he discovered the guitar, piano, girls, and singing, (maybe not in that order.) Following his dream he formed an original rock and roll band, "Body, Mind, and Soul" and began touring the western U.S. as well as recording for the likes of Warner Brothers. The "Body Mind and Soul was a bona fide recording and touring rock band. - Fast forward some years later. Looking for some good Italian food one night in Las Vegas, Kent found Ferraro's Italian Restaurant. The food was great but the entertainer was even greater. It was none other than **Paul Stevenson**, a Chicago transplant fresh from his appearance on the **Oprah Winfrey Show**. Kent Asked, "Hey, can you play Come Fly With Me "If you can sing it, I'll play it" was the response from Paul. The rest, as they say, is history. They have now been together for 16 years!! The collaboration between these two creative musicians has led to the formation of **The Vegas Good Fella's**, featuring Kent, now a popular and in-demand group on the Las Vegas scene. The band is rounded out with seasoned touring musicians, now calling Vegas their home.

The Vegas Good Fella's are a true **Show Band** who bring back the days of the real **Lounge Era**. Their members have performed with entertainers such as; Chuck Berry – Reba McEntire – Tom Jones Frank Sinatra – Terry Fader – The Stray Cats & more!
Voted a must see by Norm Clark of the Review Journal!

They have appeared at The Hard Rock – Mandalay Bay – The Monte Carlo – Caesars Palace – Treasure Island – The Riviera & more!

Their range of music encompasses everything from the swing of Sinatra and Bobby Darin to the classic rock and roll of The Beatles – Rolling Stones – Joe Cocker – Tom Jones & The Doobie Brothers.

Kent has performed in shows and on stage with **Chris Philips** (Zowie Bowie) – **Clint Holmes** – **Robert Nash** – **Pia Zaorda** – **David Perico** - **Paul Shortino** – **Gary Anthony** – **Jonathan Scott** – (ABC Morning Blend) & a host of others.

Important Facts about The Vegas Good Fella's

The founders of The Vegas Good Fella's are Kent Foote and Paul Stevenson. The six piece band was formed just over 7 years ago in 2008 with all accomplished, professional, working musicians. All of the musicians have incredible credentials. The entire band (with the exception of only one) are the original players. We are a rehearsed group and performances include parodies of some of the songs and performers of their time. The band's song list contains approximately 120 songs. We very seldom use substitute players, only when absolutely necessary. We find this important to keep our sound, quality and professionalism.

The instruments used are of unparalleled quality and are selected and switched according to the music being performed. From the authentic and iconic sound of the Hammond B-3 Organ, to the real Rickenbacker 12 string used by the Beatles. This is done to acquire the music's authentic sound and flavor. We also own several top quality sound systems for any venue when needed.

**The Vegas Good Fella's L.L.C. is a current Nevada registered entity, with the name secured and registered in the State of Nevada Operating with a current Federal Tax ID Number.*

Your Facebook comments were right on target. Amazing energy at Ferraro's Friday evening. Who ever thought that you'd see folks move from the dining room to the bar and dance at Ferraro's. And dance to Rock and Roll...at Ferraro's! Show's you what people really want.

Got talking to one foursome who were walking by and heard the music that grabbed them and brought them in. One of the four even did a great job singing "God Bless the Child."

Hope to see more of this. If it becomes a regular event, I'd be happy to promote it one The Vegas Voice website which reaches about 100,000 readers in the 55+ communities.

Mr. Kent Foote
The Las Vegas Good Fellas

Dear Kent:

I apologize for taking so long to give you a written thank-you for the stupendous performance you gave the Las Vegas Philharmonic Guild on the occasion of our tenth Anniversary Gala.

We had three hundred people in attendance, and we heard nothing but accolades regarding the amazing performance you and your band provided. Even now, some months later, I still hear rave reviews of the Las Vegas Good Fellas and your superlative 'stage show', and the entertainment value it gave to our guests. I call your performance a 'stage show' because it was so much more than "just a dance band". Our attendees were mesmerized by the additional acts you gave us, such as "Frank and Tony", the "Beatles" and the "Rolling Stones".

We have recommended you highly to everyone who asks us "Where did you get that marvelous band?" The only down-side to this is that I fear that, when we call upon you again, you will be too heavily booked to accommodate us. As you know, the Guild is the service and fundraising arm of the Orchestra, and your terrific performance was not only a highlight of the evening, but contributed greatly to the financial success of the evening.

Best wishes for your continued success, and our grateful thanks for all the good you did for the Las Vegas Philharmonic.

Sincerely:

Tomi Carpenter

This letter is to express our greatest satisfaction with the performance by the Vegas Good Fellas at the 2012 Arby's Worldwide Franchise Convention. The classic hits from the Las Vegas Good Fella's are always loved by our franchisees, suppliers and employees.

The seven members of the Vegas Good Fellas showcase their talent by playing various instruments to create a fantastic sound and an entertaining show. They have performed at Las Vegas resorts, such as the Mirage, Mandalay Bay, Bellagio, Caesar's Palace and many others.

Some of their greatest hits are by artists including Frank Sinatra, Dean Martin, Tom Jones, Elvis Presley, and Jack Jones. Their old time rock and roll set was outstanding. If you're looking for a group that can bring your event wonderful music and great entertainment, the Las Vegas Good Fellas are a fantastic choice.

Moreover, I have received numerous compliments, raving about the Vegas Good Fellas. This is our second time to have the Vegas Good Fellas perform at an Arby's Worldwide Franchise Convention, and we would be delighted to celebrate with them again in the future.

Thank you,

TO WHOM IT MAY CONCERN:

I will start by saying that Good Fellas Band has lived up to its name. The Good Fellas are in every way professionals in the music business. Kent Foote, the leader and front man for the band, takes every detail that is given to him for the event that the people involved are having and turns it into an art of music. His musicians, having their own personalities, blend the music together as one solid team and love every minute of it.

I have known Paul Stevenson on keyboards for 15 or more years. He is a true artist with the piano and a very caring and respectful man. It is a pleasure for me to be able now to refer to him as a friend. Everyone of the men in the band are great musicians and gentlemen and I enjoy every time I am able to be around them, sometimes sing with them, and just the friendliness that's between us.

I hired the Good Fellas to play at my daughter's wedding on May 7, 2011. My daughter, son-in-law and myself started three months prior to begin planning the music and the location. We met and talked on the phone every week, three to four times, with Kent and Paul. Kent, Paul and myself made trips to the location three times so that the band knew exactly where to set up for the best sound. The band even went a day earlier than the wedding just to test their equipment and make sure everything was exactly the way it should be. The wedding was picture perfect in every way from beginning to end and a great part of that perfection was due to the music and care from Kent and the Good Fellas that made my daughter's wedding beautiful and long lasting forever.

For me, if there are any events in the future for my children, myself or my friends, it will always be my recommendation to hire the Good Fellas and enjoy everything that they give you 110%.

Sincerely,

JAMES MASSI

Signing off - love you guys!
